PRESS BOOK

# BIOGRAPHY

After more than 8 years producing and mixing in many clubs in the South of France (DaVinci Club, Le Milk, DaVinci Club), Joris Jensen has established his own style, influenced by many Artists such as Don Diablo, Axwell and Steve Angello, but is still looking for creative innovation, as demonstrated by his musical projects supported by many artists in a variety of styles (Hook N Sling, Matt Nash, Madison Mars, CMC\$ and others).

These projects bring him to share his knowledge. By creating <http://edmproduction.fr>, he wants to help as many upcoming producers as he can to succeed into music industry.

After focusing for several months on his studio productions and collaborations, Joris Jensen is ready to show the results of his work to the crowd and join the new generation of producers for whom the future looks brighter than ever.
